Private providers, overseen by the State Department of Education, may be selected by the State Board of Education to administer, manage or operate virtual school programs in this state, including the total operation of the Mississippi Virtual Public School Program. Any private provider chosen to provide services under the provisions of this subsection shall be chosen through \* \* \* the Mississippi Online Course Application Process.

Subject to appropriation, the sponsored school must ensure that each student is provided access to the necessary technology, such as a computer and printer, and to an Internet connection for schoolwork purposes.

(7) The \* \* \* Mississippi Department of Education shall have approval authority for all coursework and policy of the Mississippi Virtual Public School.

(8) Each teacher employed by or participating in the delivery of instruction through the Mississippi Virtual Public School must meet all qualifications for licensure in the State of Mississippi.
